

AROUND THE CORNER MINISTRIES

WHAT IS A NEIGHBORHOOD COACH?

A *Neighborhood Coach* is someone who has a heart to share the gospel with their neighbors and friends, and is willing to be used by God to lead the way, right where you live, work or play. Our prayer is for God to raise up Christ-followers who are willing to be the O.N.E. - a person who is Obligated to their Neighbor's Eternity. Not only do you want to share the gospel personally, but you are willing to be trained yourself, and help other believers who live around you to do the same. Together, you will reach your community.

STEP ONE

The first step in your training as a Neighborhood Coach is to read the *Guidebook To Going Around The Corner*. We'll send you a free copy once you're signed up. This short little book will give you a big-picture overview of the Around The Corner Ministries neighborhood evangelism strategy.

STEP TWO

We'll schedule a face-to-face meeting via ZOOM to train you personally. We'll work together to get you started with practical, simple, biblical steps to engaging your neighbors with the gospel. We'll set goals and map out a personal strategy for where you live, work, or play.

STEP THREE

As a Neighborhood Coach, you'll enlist other believers. We ask you to meet together weekly and work through the six-session workbook, *Going Around The Corner*. This will strengthen your team collectively, and establish a strong biblical foundation for gospel-sharing.

MONTHLY MOTIVATION AND RESOURCING

When you accept the challenge to be the O.N.E. who is **Obligated to your Neighbor's Eternity**, you are an answer to our prayers. We believe the gospel should be shared with the people right around us, one neighbor at a time. Catch the vision: one neighbor, one neighborhood, one community, one city, one state, one nation. It all begins with the individual.

We also know that we need each other to stay motivated and excited about sharing the gospel. As a Neighborhood Coach, you'll be invited to our Monthly Motivation Zoom meetings, where you can share your experiences, ask questions, and learn from others who have a similar passion for their neighborhood.

We know this strategy works because we're doing it ourselves. It's personal to us. We have neighbors that we love dearly who do not know Jesus, and we are working together with other believers to pray consistently, serve intentionally and share boldly with them. We hope you'll join us in this exciting adventure as we watch God do what only He can do - bring salvation to the lost!

THE STRATEGY

- #1 - Believe God has put you where you are for a greater sovereign purpose.
- #2 - Start praying for each neighbor by name as you engage God on their behalf.
- #3 - Enlist other believers to join your team, inviting them to pray for the people right around them.
- #4 - Engage neighbors by serving and meeting physical needs.
- #5 - Evangelize by sharing the gospel clearly.

THE GOAL

Every neighbor has someone regularly engaging God on their behalf, by name.

Every neighbor has physical needs met by caring believers.

Every neighbor hears the gospel presented clearly and is given opportunity to respond by faith.
